

Entry to Doble Poling Lysebotn Opp is closed!

It has been high interest to start in our new competition - double poling Lysebotn Opp. We have soon reached our maximum number of athletes to start which is set to 50 this first year.

The organizer have kept some available startnumbers for athletes belonging to national teams and teams registered in the rollerski long distance cup, Guide World Classic Tour.

Other male athletes who still have an interest to start in our new and extreme version of Lysebotn Opp can send e-mail til Chief of Sport Blink Skifestival, Arne Idland. When we have got entries from all Long Distance Teams there might be some available places!

E mail: arne.idland@axelar.no

The entry for our traditional Lysebotn Opp competition in free technique is still open.
